

1023E, 1025R, and 1026R Compact Utility Tractors Technical Manual (Serial No: A00001-)

JOHN DEERE

TECHNICAL MANUAL 1023E, 1025R, and 1026R Compact Utility Tractors (Serial No: A00001-)

TM188519 15OCT24 (ENGLISH)

John Deere Augusta Works
PRINTED IN U.S.A.

Introduction

Foreword

This manual is written for an experienced technician. Essential tools required in performing certain service work are identified in this manual and are recommended for use.

Live with safety: Read the safety messages in the introduction of this manual and the cautions presented throughout the text of the manual.

 This is the safety-alert symbol. When you see this symbol on the machine or in this manual, be alert to the potential for personal injury.

Technical manuals are divided in two parts: repair and operation and tests. Repair sections tell how to repair the components. Operation and tests sections help you identify the majority of routine failures quickly.

Information is organized in groups for the various components requiring service instruction. At the beginning of each group are summary listings of all applicable essential tools, service equipment and tools, other materials needed to do the job, service parts kits, specifications, wear tolerances, and torque values.

Technical Manuals are concise guides for specific machines. They are on-the-job guides containing only the vital information needed for diagnosis, analysis, testing, and repair.

Fundamental service information is available from other sources covering basic theory of operation, fundamentals of troubleshooting, general maintenance, and basic type of failures and their causes.

Contents

Section 10—General Information

- Group 05A—Safety
- Group 05B—General References
- Group 05C—Technical Specific References
- Group 05D—Fuel and Lubricants
- Group 05E—Serial Number Locations

Section 20—Engine Repair

- Group 05—Engine
- Group 10—Cooling System

Section 30—Fuel, Air Intake, and Exhaust Repair

- Group 05—Fuel
- Group 10—Air Intake
- Group 15—Exhaust

Section 40—Electrical Repair

- Group 05—Electrical Connector Repair
- Group 10—Battery, Starter, and Alternator
- Group 15—Electrical System Components

Section 50—Drive Systems and Transmission Repair

- Group 05—Power Train
- Group 10—Mechanical Front Wheel Drive
- Group 15—Differential
- Group 20—PTO

Section 60—Steering Repair

- Group 05—Steering

Section 61—Brake Repair

- Group 05—Brake

Section 70—Hydraulics Repair

- Group 05—Hydraulic Pump and Filter
- Group 10—Rockshaft
- Group 15—Range Control and Three Point Hitch
- Group 20—Selective Control Valve
- Group 25—Hydraulic Lines

Section 80—Miscellaneous Repair

- Group 05—Hood and Side Panels
- Group 15—Wheels
- Group 20—Mid-Mount Lift

Section 90—Cab/Open Operator's Station Repair

- Group 05—Seat and Support
- Group 10—Control Console
- Group 15—Roll-Gard
- Group 20—Cab Components
- Group 25—Open Operator Station Components

Section 211—Diagnostic Trouble Codes

- Group 05—General References
- Group 10—Information Cluster Control (ICC) Diagnostic Trouble Codes

Section 212—Observable Symptoms and System Diagnostics

- Group 05—General References
- Group 20—Engine System Diagnostics
- Group 30—Fuel, Air Intake, Exhaust, and Cooling System Diagnostics
- Group 40—Electrical System Diagnostics
- Group 50—Drive Systems and Transmission System Diagnostics
- Group 60—Steering System Diagnostics
- Group 61—Brakes System Diagnostics
- Group 70—Hydraulic System Diagnostics

Section 220—Engine Operation, Test, and Adjustments

- Group 05—General References
- Group 10—Calibrations, Preliminary Checks and Operational Checks
- Group 20—Theory of Operation
- Group 40—Component and Connector Information
- Group 50—Tests and Adjustments

Section 230—Fuel, Air Intake, Exhaust, and Cooling Operation, Test, and Adjustments

- Group 05—General References
- Group 10—Calibrations, Preliminary Checks and Operational Checks
- Group 20—Theory of Operation
- Group 40—Component and Connector Information
- Group 50—Tests and Adjustments

Section 240A—Electrical General and Theory of Operation
